While the location has not been established, she is in discussions with the Wardman Park development as that is the preferred site, but she identified a back-up plan involving Maret, which would also be an excellent venue for the event. Leah will ask for direct expenditures of up to \$6,000 from the ANC. It was also discussed by ANC 3C Com. Adam Prinzo that a relatively small amount of money may be contributed from Woodley Park Main Street. In addition, Prinzo noted that he is discussing with relevant DC officials various other issues related to the event, including composting and recycling, as well as on ongoing discussions for closing off Woodley Rd. Bathrooms may be available at Aidan Montessori. Courtney is working on identifying an appropriate band.
5. Letter regarding the proposed Metro C53 bus layover area. – Warren has drafted a letter. John noted that he has a few edits, but is holding off in circulating a revised draft until WMATA appears before the ANC to discuss its proposal where more information may be obtained about the proposal. *John presented a Motion to send a letter from the WPCA to DDoT opposing the proposal. The Motion was approved.*
6. Woodley Park Annual Picnic – follow-up discussion – The picnic was generally viewed as a great success. However, concerns were raised about the fact that only eight new WPCA Members were signed up, even though 68 of the 98 RSVPs were non-Members. A number of other attendees were present who did not even RSVP. It was agreed to take steps to ensure that those who are responsible for signing in attendees be well trained and capable of urging the attendees to join the WPCA as a member.
7. Woodley Park Main Street – Jenn reported that Kate Dean, Chair of the Glover Park Alliance, met with her and Pat. The call was of a preliminary nature, without any concrete takeaways about the budget and other critical details. However, Jenn reported that she anticipated further contact that will address these issues.
8. Landscaping Committee – Deferred.

9. Fall membership meeting - initial discussion on date, speaker – A few names were suggested, including the possibility of the new Mayor. Further discussions will take place at the next meeting.

10. Holiday party – initial discussion on date, venue – It was agreed to discuss the composition of a committee further at the next meeting. The date should be sufficiently early so that it does not too close to the Christmas holidays. Various venues were discussed.

11. ANC updates – Prinzo was the only Commissioner present. He reported that the ANC has a new website. <https://anc3c.dc.gov> There are resolutions on the new website going back to 1979, and the website will allow for local community events can be placed on the calendar. Adam noted the Transportation Committee on June 10 where WMATA will be present to discuss their proposal regarding the bus stop. On Thursday, the ANC Public Safety Committee is meeting, and it will include the top leadership of the local Police District. Juvenile curfews will be on the agenda, as well as the murder of a student at Jackson-Reed. CPR and Narcan training will be offered as well. The next full ANC meeting will be on Monday, June 15. A new Italian restaurant will be opening where the closed Ethiopian restaurant was located but the new restaurant has encountered regulatory hurdles. Adam also noted that early voting commenced on June 8, and voting by mail is another option available to local residents.
