Present: Stephanie Zobay, Pat Spillman, Glenn Marcus, John Goodman, Michael Peck, Courtney Tolbert, Leah DeHoet, Warren Gorlick

1. Establish Quorum / Confirm Everyone Can Hear and See

Quorum was established, and all participants confirmed they could hear and see one another.

2. Introductory Items

a. Approval of agenda. The agenda was approved.

b. Approval of June meeting minutes. The June minutes were approved. A discussion followed on this issue. Courtney volunteered to email the attendees who are not members, and John will forward the picnic attendee list to her. It was further agreed that, going forward, all minutes will be circulated as a Google Docs.

3. Financial and Administrative Matters

Stephanie reported on expenses from the picnic and on donations received. She also noted that non-material discrepancies can arise from time to time due to the timing of interest payments. In response to questions, Stephanie clarified that the Main Street grant funds remain with WPCA funds but must be spent solely for that limited public art purpose. The Board discussed various potential uses for those funds.

a. Treasurer's report for June 2026. Accepted.

b. DC tax-exempt certificate. Stephanie reported on the continuing challenge of obtaining the tax-exemption certificate due to the lack of a physical address. Various possible solutions were discussed. Stephanie will make one further effort to resolve the issue with the relevant DC officials.

4. Woodley Park Day 2026 — Permit Request, Planning, and Budget

The Woodley Park Day Planning Committee reported on the upcoming Woodley Park Day event, to be held September 19 from 12:00 pm to 6:00 pm, rain or shine. She is in the process of obtaining a permit to close Woodley Road from 2650 Woodley Road to 27th Street, assuming the Wardman Park property can be used as the venue; if not, her backup plan is to request front lawn space at Maret School. The event will focus on family-friendly activities, and snacks will be provided. Courtney reported on several bands that may be interested in performing and on an appropriate location for the band to play; it was noted that a sound stage would not be needed.

5. Holiday Party

Various options were discussed, including a potluck or an event at a restaurant. It was noted that Kate Dean, Glover Park Main Street Director with oversight of the Woodley Park Main Street program, recently held a public event at Aroma. Pat suggested forming a committee, and it was agreed that Glenn, Michael, and Warren would serve on it. The committee will consider cost, the type of event (restaurant vs. potluck), the venue, and whether alcohol will be served.

6. At-Large Board Member Opening

Fran Mitchell has resigned from the Board. Pat will reach out to a community member who may be interested in filling the vacancy.

7. Woodley Park Main Street — Update on Grants, etc.
