- Ryan Wegman, the Executive Director of the Friends of Woodley Park, provided a presentation of his organization’s work program. Ryan emphasized the need for business rejuvenation and the need for more investment in Woodley Park infrastructure. Ryan will start with obtaining a “Mainstreets” grant from the District, with a long-term goal of obtaining the status of a Business Improvement District. Ryan noted that his organization’s website (<https://friendsofwoodleypark.org/>), now includes a list of all the organization’s activities. Asked about what the difference between his organization and the WPCA, Ryan answered that his organization’s mandate is to represent the business community with the Mayor’s office and other District officials.
