Woodley Park News

A few months ago, WMATA proposed truncating the 96 bus route at Newark St. A number of neighbors objected, urging the continuation of the route to Tenleytown. WMATA's recent list of route and schedule changes did not include this one (but that doesn't mean that it won't try again).

McDonald's has revised its exterior renovation proposal for its location on Connecticut Ave (a copy of which is [on the website](#)). Two changes appear to be the elimination of the projecting golden arches sign and the use of dark gray paint instead of black. I think these are improvements, but that they don't address all the concerns expressed by WPCA members and the WPCA Board (which were façade materials, color branding, signage and the enclosure over the areaway). Your views are encouraged.

Calendar

Monday January 8 (note new day), 7:30 pm at Stanford. **WPCA Executive Committee** meeting. The agenda should be [on the website](#) a few days before the meeting. All are welcome.
