

Sunday January 13

Woodley Park News

We have more information on the **Woodley Park residents' art show** at the Stanford gallery. If you live in the neighborhood and create art (painting, photography, sculpture, ceramics, jewelry, fabrics etc.), you can take part. The show will open on Thursday April 18. Art for the show must be taken to the gallery between April 1 and 5. Let me know if you want to participate, and I'll provide you with additional info. And feel free to let other neighborhood artists know about the show.

You can do your MLK Day of Service at **Tregaron**, clearing English ivy from trees, removing storm debris and making trail improvements. Sign-up [here](#).

The new Zoning Code eases the restrictions on having an **accessory apartment** in your home. Under the old rules, you needed to get special permission through a proceeding at the BZA. Now that is generally unnecessary. If this is something that you are considering, there will be a homeowner workshop on how to plan and build your accessory apartment on Thursday January 31, 5 to 8 pm at the District Architecture Center, 421 7th St NW. More info and register [here](#).

The next community meeting for the **Eaton Elementary renovation** will be on February 6 (note changed date), 6:30 to 7:30 in the Multipurpose Room. Updates can be found on the [Eaton project website](#).

Calendar

Tuesday February 5, 7:30 pm at Stanford. **WPCA Executive Committee Meeting**. The agenda should be [on the website](#) a few days before the meeting. All are welcome.
