Woodley Park News

Woodley Park Main Street is an organization that aims to improve the Woodley Park business district. It has received a grant from the DC government. Together with the DC Main Street Coordinating program and National Main Street Center, it has developed a survey to get your views on the business district. You can take the survey [here](#) (it will be available through August 9). There will be a community meeting to discuss the survey results and related subjects on Monday August 19 at 6:30 pm in the undercroft of All Souls Church (2300 Cathedral Ave). [RSVPs](#) appreciated for planning purposes.

Trees. DC's Urban Forestry has an interesting new website about DC's diverse canopy and the trees that comprise it. You can see it [here](#).

Buildings. Another DC web service provides information about individual buildings (some more complete than others). This one is [here](#).

Save the Date. WPCA's fall meeting will feature CM Mary Cheh and Zoo Director Steven Monfort. Wednesday October 16 at Stanford.

A Reminder. The Woodley Park residents art show will open at the Stanford gallery on October 17. Let me know if you're interested in participating if you haven't done so already.

Calendar

Tuesday September 3, 7:30 pm at Stanford. **WPCA Executive Committee Meeting.** The agenda should be [on the website](#) a few days before the meeting. All are welcome.
