

Sunday March 8

## Woodley Park News

The owner of **2735 Connecticut Ave** wants to tack an addition onto the rear of the existing building. The proposal needs historic preservation approval. A copy of the plans are [on the website](#). Our efforts to reach the owner have so far been unsuccessful, but we expect to discuss the proposal at this week's WPCA Executive Committee meeting.

WPCA's annual e-waste and shred day will be Sunday April 19 from 11 am to 1 pm at Maret (east parking lot). We have to use a different contractor this year, so we won't be able to take any liquids (paint, chemicals etc). You can see what we can take [here](#). MPD will also be on hand to collect medicines. Questions, ask [Peter Brusoe](#).

Think the area around the **Woodley Park playground** is a mess? Well, you now have two chances to help clean it up: Sunday March 15 and Saturday April 18, both from 10 am to noon. Details and sign-up [here](#) and [here](#).

DDoT will host an Open House (no formal presentation) to discuss current and future safety improvement projects, such as the Connecticut Avenue Reversible Lane Study and the Cleveland Park Streetscape and Drainage project. Saturday March 14, noon to 2 pm at Stoddert elementary School, 4001 Calvert St.
