## Woodley Park News

WPCA's **annual clean-out/shred event** is set for Saturday July 9 from 9 am to noon in Maret's east parking lot. Check [here](#) to see the kinds of things we can – and cannot – take. We might need a couple of volunteers to help that day – directing traffic, no heavy lifting; if you can help, let me know.

Sadly, **Ace Hardware** on Connecticut will close by the end of the month. But before they go, there will be a farewell party and super sale on Saturday July 16 from 10 am to 2 pm.

OP continues its work on streetscape recommendations and development guidelines for Connecticut Ave in Cleveland and Woodley Park. Next up is a "visioning survey" on "ideas around the future of housing, urban design, public space, and neighborhood services" in the corridor. You can take the survey until August 14 [here](#). OP also [has available](#) a "virtual self-guided tour" with pictures and questions that highlights some of the elements that shaped the built environment over time.

**Renter's Rights 101.** Topics covered include rent control, evictions, new rental laws after the end of the Public Health Emergency, rent increases, lease violations, housing code violations, TOPA, tenant associations, security deposits, discrimination and more. Thursday July 7, 6:30 pm in the Georgetown Library lower level meeting room. More info [here](#).

The latest report on the Swiss Embassy construction project is [on the website](#).

### Calendar
