Wardman Tower. The WPCA website has the latest [construction update](#) from JBG and JBG's [landscaping plans](#) for the grounds.

The next Community Meeting for the **Cleveland Park Library** construction project will be Tuesday February 9 at 6 pm at the Library. The latest designs will be presented and the project timeline discussed.

Zoning Rewrite. The revised zoning rules will take effect in September, nine years after the rewrite process started. The major change for Woodley Park is the relaxation of the rules concerning accessory apartments (*e.g.*, "granny flats"). Under the current rules, a homeowner must get special permission from the zoning board to (legally) rent out an apartment. Under the new rules, no special permission is needed as long as certain conditions are met. See [here](#) for the details.

Oh, and there's some snow.

Calendar

Wednesday February 10, 7:30 pm. **WPCA Executive Committee** meeting at Stanford. The agenda should be [on the website](#) a few days before the meeting. All are welcome.
