Woodley Park News

JBG has major long-term plans for the remnants of the **Marriott Wardman Park property** (now that it has sold The Woodley and the Wardman Tower will soon be in the hands of a condo board). It will describe those plans at a special WPCA meeting on Thursday March 10 at 7 pm in the undercroft at All Souls Church (corner of Cathedral and Woodley Pl, enter through the rear). Feel free to let others who might be interested know about the meeting.

Councilmember Cheh will host a meeting concerning the proposed site for the short-term **family housing shelter** in Ward 3. Saturday March 5 at 1 pm at Stoddert (4001 Calvert St).

The **Rock 'n' Roll DC Marathon** will close Calvert St between Shoreham Dr and Adams Mill Rd on Saturday March 12 from 7 to 11 am.

The latest **WIS addition** plans are [on the website](#) (very large document, so don't try to read it in you browser).
