JBG. JBG will make another presentation concerning its long-term plans for the Marriott Wardman Park property on Wednesday April 13, time and place to be announced. JBG wants to eliminate the hotel and replace it with several buildings that would be roughly 40 percent larger than the hotel.

We also had a preliminary meeting with the Office of Planning and Historic Preservation staff involved with this project. They understand -- and share -- the neighborhood's concerns about the size of any further development on along Woodley Road and the loss of greenspace.
