Woodley Park News

There was a good discussion of the **draft revised design guidelines for historic district rowhouses** at last Wednesday's meeting. In addition, 30 neighbors sent in written comments. Let me know if you want to see the written comments. The consensus of the comments was that the changes proposed by the draft as to rowhouse rears were too restrictive. The committee will revise. If you want to join the committee, contact [Barbara Ioanes](#).

The **Woodley Park Community Picnic** is Saturday June 4, 4:30 to 7:30, in the Woodley Park playground on Cortland Pl. RSVP [here](#). Contact [Sarah Taber](#) if you want to help out.

A pregnant neighbor with Zika on her mind asked us to remind you [what you can do to control the mosquito population](#), in particular, don't let standing water build up in buckets, planters etc..
