Woodley Park News

JBG. On Wednesday July 20th at 7:30, the Woodley Park ANC commissioners will host a community meeting to hear from the community about the proposed development of the Marriott Wardman Park property. At Stanford, 2661 Connecticut Ave. This is not a formal meeting of ANC3C, and JBG has not been invited. JBG's applications are on the [JBG-Marriott page](#) on the WPCA website.

WPCA has set up a JBG Task Force to coordinate its response to JBG's proposals. Let me know if you're interested in taking part.

Next weekend, **Woodley Park Ace Hardware** is hosting its annual CMN Bucket Sale Fundraiser. Customers who make a \$5+ donation on Saturday July 23 or Sunday July 24 will receive a free limited-edition 5 gallon bucket (a \$6.99 value, while supplies last), plus 20% off their entire purchase of regular-priced merchandise (with a few exclusions). All of the proceeds benefit Children's National Medical Center, our local CMN Hospital.

Wonder whether your house is serviced by lead water pipes? You can find out [here](#).
